- Ramesh Manocha- CEO at Health Ed, 02 8758 0103

PROFILE

I am a Junior Web Developer with a background in IT Sales. Having always been passionate about using and being creative with technology, I recently completed studies in Front End Web Development so that I can grow and contribute my skills within an industry that I love working in. I have experience developing web applications with teams from wire-frame to hosting, using technologies such as: javascript, vue.js, php, html/css, git, github, bootstrap, ninja, aws and more.

WORK EXPERIENCE

Account Development Manager

Podium, 2019 - 2020

- Assessed client software needs with a consultative, solutions-based approach.
- Collaborated with territory and commercial teams to implement a synchronized sales strategy

Sales Rep

Health Ed, 2017 - 2019

- Sold professional development seminars to health and education professionals.
- Provided technical support to customers during webinars.

EDUCATION BACKGROUND

Academy Xi and Generation Australia

12 Week Intensive Web Development Bootcamp, 2021

- Designed and built front end web applications from wireframing to deployment.
- Developed applications as a team using Github for file merging and version control.
- Followed an Agile development process

Evergreen State College

Bachelor of Arts, 2011
